**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a local internet company that is responsive and well priced. They create jobs in our area and are good community citizens which is important to me as I work for and serve on the board of non-profits.

Please say NO to price hikes that will increase the cost of internet and telephone services. This will impact me personally and the non-profits I support. I rely on broadband at home and at the business I work for and the non-profit where I serve on the board.
